# TCCE

## **What is the Tennessee Chamber of Commerce Executives? (TCCE)**

TCCE was organized to enhance the professional growth and development of Chamber executives, staff, and volunteers in the State of Tennessee.

## **TCCE works to achieve the following goals and objectives:**

- To foster the professional development of Chamber of Commerce executives and staff.
- To enhance status of Chambers of Commerce in the State and Nation.
- To provide a communication link between Chamber of Commerce staffs in Tennessee.

## **TCCE Programs**

### **Winter Conference**

This conference is designed to educate the "Volunteer Leadership" of the member Chambers. Executives are encouraged to bring officers, board members and key volunteers to this conference. Sessions are planned to educate volunteers of their duties and responsibilities in Chamber operations, and innovative and creative programs from other Chambers. This is held in conjunction with the annual legislative reception. This conference has been set for February 9, 2011 in Nashville.

### **Tennessee Chamber of Commerce Institute**

In 2002, TCCE conducted its first Tennessee Institute for Chamber employees on the campus of MTSU. It is designed specifically for Chamber employees to learn the "chamber business" from experienced practitioners of the art. It is designed as a two-year certificate program. The first class graduated in 2003. Contact Suzie Lusk at 615-256-5141 for more information on the 2011 class, which is set for March 6-8, 2011. Also, an additional Institute will be offered during the same time for all those who have graduated from TCCE Institute. Institute Continuing Education will offer a curriculum that will change annually based on input, industry trends and the economic climate.

### **Annual Leadership Conference**

This meeting held during the summer each year provides an educational opportunity for executives to further upgrade their management and Chamber operation skills. Each year programs are conducted to provide attendees with ideas of current trends in Chamber programming, as well as an opportunity to network with their peers. This conference will be held August 17-19, 2011 in Johnson City.

### **Institute Scholarships**

Each year TCCE provides scholarships to executives as funds are available to the U.S. Chamber of Commerce's Institute for Organizational Management. Scholarships are awarded on the basis of a desire to continue their education, financial need, and participation in TCCE activities. Scholarships are also available for the Tennessee Institute.

# TCCE Mission Statement
