

TENNESSEE CHAMBER PAC

Political Action Committee

WE NEED YOUR HELP TO SUPPORT PRO-BUSINESS CANDIDATES

What is the Tennessee Chamber PAC?

The Tennessee Chamber maintains, like many trade associations, a PAC for making contributions to both incumbents who have supported the Tennessee Chamber and to new candidates who are willing to learn and support business issues. The Tennessee Chamber PAC works to enhance and strengthen the Chamber's role in promoting business in our state by helping to elect pro-business leaders. Our PAC is non-partisan and gives only those who demonstrate their support of business.

Why is Supporting Chamber PAC Important?

For the Tennessee Chamber, our focus for over 100 years is ensuring our Legislature and state departments and agencies do not harm your bottom line or Tennessee's business climate. Informing leaders across the state about important business issues is no easy task and requires a strong political action effort through our PAC. 2020 will be a tremendous political year in Tennessee, with increasing attacks on business from groups on the far left and right, we need your support. An investment in the Tennessee Chamber PAC helps our efforts to ensure pro-business legislators have the support from the business community and are informed about the most important issues and challenges facing business and manufacturing.

How Can I Donate?

Supporting the Chamber PAC is easy, fortunately Tennessee law allows three types of donations: business or corporate dollars, personal or individual donations, and transfers from other PACs. You can donate by going online to tnchamber.org/PAC or filling out and submitting the form on the next page. Send your donations today to ensure Tennessee maintains and improves its standing as a business-friendly state.

PAC support means...

Inform candidates about important business issues

Protect Tennessee's Business Climate

Supports pro-business candidates

An opportunity to have businesses voice heard

"Supporting TN Chamber's PAC allows the business community and manufacturers in Tennessee to have a voice on critical issues. The Tennessee Chamber is an important voice on Capitol Hill and donating to their PAC helps keep their influence strong." - Kelly McCreight, Chairman, Tennessee Chamber Board
